

MUZAHIDUL ISLAM

ABOUT ME

Hello, I'm Muzahidul. I have been working as a graphic design professional for over six years now. I am a hard worker, flexible, co-operative, good in manners, and very professional in my profession, I've worked with 40+ individuals, companies, and non-profit organizations on bringing their ideas to reality through development. I would love to collaborate with you on your next project!

Program Experience: Adobe Illustrator • Adobe Photoshop • Adobe XD • Figma • Adobe After Effect • Android Studio

Language: Python • Javascript • PHP • HTML • CSS

WORK EXPERIENCE

2016-2020 Lead Graphic Designer | The ICT Hub

4 years

I have been working for four years in this company as a graphic designer & brand designer. I love the working environment here, and my colleagues are very supportive and cooperative. Currently, I am working here on a full-time basis.

2015-2016 Graphic Designer | Hexapixel Studio

1 year

Hexapixel Studio is a visual graphic studio with high morality and good reputations. I have worked for them as a lead application developer for one year. It was a good experience, and I have learned a lot from this work environment.

2014-2015 Lead Application Developer | Erpor Amrai LTD.

1 year

Erpor Amrai LTD. is a digital marketing agency that runs advertisements, promotions, and marketing for various service providers and stakeholders. I had enjoyed and learned a lot from this company.
